

HOLIDAY FOOD BOXES Keep it fresh and healthy! THRIVE! continues to purchase fresh produce for holiday food boxes at the Well-Help Food Pantry and St. Patrick's Helping Hands pantry, including apples and oranges, potatoes, carrots and celery for Thanksgiving, Christmas and Easter. THRIVE! was able to serve more than 425 families with fresh produce. Tucked into the food boxes were yummy recipes prepared by the THRIVE! Registered Dietitian, Libby Showalter.
