

# Lorain County Office on Aging offering Benefits Assistance services

The Lorain County Office on Aging is offering Benefits Assistance services to qualified Lorain County residents who are over 60 or disabled. Services include a benefits screening to determine if a resident is getting all of the benefits they are entitled to receive. The Office on Aging also provides assistance in helping residents to apply for and obtain any additional benefits and resources that they are entitled to receive. To learn more about the Benefits Assistance program and services residents are entitled to receive, call the Office on Aging, at 440-326-4800, and ask to talk to a benefits counselor.
