

## Wellington’s “Memory Cafés” for Dementia Patients and Their Caregivers

For those with dementia, a “Memory Café” is a gathering of hope, providing stimulation and a warm, inviting atmosphere. THRIVE! worked with LIFE: A Dementia Friendly Foundation and the New Life Assembly of God Church to open a “Memory Café” in January with companionship, music, crafts, games and other activities. The Cafés, which also feature Putter the service dog, take place at the Church at 108 West Street in Wellington every Monday from 10 a.m. to 2 p.m. Lunch will be provided.

Donations are appreciated. For more information, go to [www.dflife.org](http://www.dflife.org) or call 440-935-3506.
